## New GST Rebate

COULD MEAN UP TO \$50,000  
 BACK FOR FIRST-TIME BUYERS

Yes, it's real — qualified Canadians can now save up to \$50,000 in GST relief.

A new federal rebate is making the path to homeownership more affordable than ever — especially for those buying their very first home.

### Who qualifies?

- ✓ 18+ years old
- ✓ Canadian citizen or permanent resident
- ✓ Haven't owned (or lived in a home owned by your spouse/partner) in the last 4 years

### How it works:

- Applies to new contracts signed on or after May 27, 2025
- Only one eligible buyer required per contract
- Must be your primary residence
- Homes under \$1M may qualify for a 100% GST rebate
- Partial rebate available on homes valued between \$1M - \$1.5M

At Douglas Homes, we build with value, trust, and care — and now, those entering the market for the first time can make the most of that with real federal tax savings.

As of May 27, 2025, the federal government has introduced a new GST rebate of up to \$50,000 for first-time home buyers of newly built homes. It's a meaningful change that supports what we've always believed, more people should be able to own a home they're proud of.

This could reshape how Canadians think about affordability — and bring the dream of homeownership closer for those entering the market for the first time.

We've shared more details across our social channels. If you're planning to buy your first home, or simply want to stay informed, we encourage you to check out the posts and share them with anyone who could benefit.
