4 Bedroom, 2.00 Bathroom, 1,039 sqft
Residential on 0.19 Acres

Lakeview, Calgary, Alberta

Step past the tree-lined serenity of Lakeview's most beloved streetscape and into a home where timeless architecture meets modern reinvention. Nestled on a rare 8,352.79 sq ft lot with 67 feet of street presence and 140 feet of curated depth this fully transformed bungalow is a quiet triumph of design, detail, and function.

Every surface, system, and sightline has been thoughtfully refined across two years of meticulous renovations. In 2022, the transformation began: new air conditioning, a high-efficiency furnace, humidifier, tankless water heater, and complete repiping brought unseen comfort. All taps were replaced. Paint in vogue tones coats both interior and exterior walls, with lighting including designer pot lights adding a sculptural layer of warmth. New wood accents, curated hardware, and spa-quality bathrooms elevate the interiors, while a reimagined front landscape, new fencing, and a charming pergola create a sophisticated welcome.

By 2023, attention turned outward. The garage was entirely rebuilt reengineered with 2x6 framing, insulated walls, new lighting, concrete, double doors, soffits, fascia, and a built-in stereo system, plus a dedicated furnace and power for the rear gate. The backyard, now a secluded sanctuary, features new concrete paths, lush artificial turf (\$30,000 value), structured plantings, and two

icons of leisure: a hot tub (\$10,000), a racing simulator (\$15,000) and a private golf practice net (\$4,000) – perfectly suited for entertaining under starlit skies.

Inside, this 4-bedroom, 2-bathroom residence flows seamlessly from a luminous open-concept main floor to a fully finished lower level – ideal for guests.

Located mere moments from North Glenmore Park and Mount Royal University, and only 10 minutes from Calgary’s urban core, this home is more than a property – it is a lifestyle canvas. A place where form meets function, and every upgrade tells a story of care, vision, and extraordinary taste.
